

# CellML SBGN SBO BioPAX MIASE Workshop

Sunday 5th April - Thursday 9th April 2009

Waiheke Island, Auckland, New Zealand

Following on from the success of the CellML Workshops in 2007 and 2008, the Auckland Bioengineering Institute will be hosting a third workshop in 2009 - this time with a slight difference.

This year the event will be a “*super-workshop*” combining the themes of:

CellML SBGN SBO BioPAX MIASE

For more information please see:

[www.cellml.org/workshop/workshop2009](http://www.cellml.org/workshop/workshop2009)

Website registration is currently open and the programme will be available soon

We look forward to meeting you in Auckland in 2009
